

Samsung SCH-3500 Battery Replacement

Installation of the battery is straightforward and requires no tool usage.

Written By: Brett Tomashitis

Step 1 — Battery

- Turn Samsung SCH3500 around so that the back is facing you. Depress locking tab on the back of the phone with a finger or thumb.

Step 2

- Slide battery toward bottom of the phone, ~1/4 inch, to clear the hooks that keep it secured to the back of the phone.

Step 3

- Lift battery away from phone case.
- The battery is now removed from the device. Congratulations.

To reassemble your device, follow these instructions in reverse order.
